

Union solar companies

Overview

Who is Union solar?

Union established Union Solar as a leader in innovative solar technologies and solutions specialising in solarising commercial and industrial property rooftops. Union obtained an electricity retail license from Energy Market Authority (EMA) and established Union Power Pte Ltd as its electricity retailer.

Who is Union solar Pte Ltd?

A member of Union Energy Group (UEG), Union Solar Pte Ltd is a Solar Energy Solutions Provider, with holistic expertise from Roof Assessment, Installation to Commissioning. Moving with the times, we are committed to tackle issues of our current era such as climate change by encouraging sustainable living.

What does Union do?

Union operates a network of solar photovoltaic (PV) systems that powers organisations like yours. We finance and install solar PV systems on building rooftops—turning underutilised space into a solar energy farm that works to generate sustainable, renewable energy for your business needs. Contact us.

What is a solar company in Singapore?

As a solar company in Singapore, we operate a network of solar PV systems throughout the island. We finance and install solar PV systems or solar panels on building rooftops—turning underutilised space into a solar energy farm that works to generate sustainable, renewable energy.

Why should you choose union solar?

Union's solar tariff is lower than brown energy tariff, which gives you far more savings the second the panels start generating electricity. We integrate the system onto your premises so you can enjoy green electricity directly On-site. In return, you receive the benefit of a low long-term tariff for the solar energy you consume.

Who is Union Energy Group?

Union obtained an electricity retail license from Energy Market Authority (EMA) and established Union Power Pte Ltd as its electricity retailer. Union Energy Group was honoured with a Top 10 win at the E50 Awards for its remarkable 32-year growth journey as one of Singapore's most trusted brands.
