## Overview

---

What are universal design-style kitchens?

Universal design-style kitchens go beyond the basic triangle layout and solve accessibility problems so that your kitchen is beautiful and functional for the whole family. If you're planning a kitchen remodel, consider incorporating these universal design features to create a cooking space that works for everyone regardless of age or ability.

Why should you use universal design principles in your kitchen?

Using universal design principles in your kitchen makes cooking easy for people of all ages and abilities. Keep in mind: Price and stock could change after publish date, and we may make money from these affiliate links.

What color cabinets go with Shaker cabinets?

Pair Shaker-style cabinets in shades of white and midnight blue to complement a transitional style kitchen. Paint corner cabinets in a fresh color like sky blue color to add color to a midcentury modern kitchen. Add contrast with black door knobs and pulls. Run cabinets all the way to the ceiling to maximize space.

What are the different types of kitchen cabinets?

From classic Shaker to glass-front, and sleek, flat-front slab designs, there are a variety of cabinet styles to elevate kitchens designs, including traditional, farmhouse, modern, rustic, and more. Highlight natural wood tones such as white oak or dark walnut or paint cabinets in neutral or bright colors.

What kitchen cabinets look good with white walls?

Check out these kitchen cabinet ideas for inspiration. Flat-panel cabinets will give your kitchen a streamlined look. Pair light natural wood and painted matte black kitchen cabinets for a modern sensibility that complements white walls and quartz countertops. Simple Shaker-style cabinetry will complement

a modern farmhouse kitchen.

What finishes do kitchen cabinets come in?

Choose finishes from matte to satin and high-gloss, and add a practical and decorative finishing touch with kitchen cabinet hardware in a variety of forms and metallic finishes such as brass, copper, silver, or black. Check out these kitchen cabinet ideas for inspiration.
