

Utl solar inverter price 5kva 48v

Overview

A 5kVA solar inverter is specially manufactured to power heavy load. So you can run TV, LEDs, Fan, Fridge, AC, Washing machine, and all other electrical appliances till the limit of 5000 watts.

Yes, there are 20 years of product life & 2-5 years warranty available on each model of 5kVA UTL solar inverter.

The discounted price (Inclusive of all Taxes) of 5kVA UTL solar inverter starts from Rs. 55,709 and goes up to Rs. 88,635 depending upon the model that you are buying.

5kVA solar inverter is best for home or business purposes. So you can install it either at your home or at your offices.

Before choosing the best type of solar inverter just once think about the problem that you are facing at the moment. If you are suffering from heavy.

UTL Gamma 548 MPPT Solar PCU Inverter 5kVA 48V ₹47,950
What is a UTL Alfa plus 5KVA 48V Solar PCU?

The UTL Alfa Plus 5kVA 48V Solar PCU is a solar-powered inverter that converts DC power from a solar panel into usable AC power for your home or office. With a 5kVA capacity, this inverter is best for small to medium-sized applications, and its built-in MPPT solar controller ensures optimal performance from your solar array.

What is a UTL 5KVA solar inverter?

UTL 5kVA solar inverter are next-generation solar inverters with sleek artistic design, high efficiency and also are easy to install. Our exclusive range of 5kVA solar inverters are equipped with an in-built solar charge controller that allows you to save more on your electricity bills.

What is UTL solar inverter?

UTL Solar inverters are the first most choice of Indian people for a long time.

UTL solar inverter are available in various sizes, models, designs, and other related specifications and also manufactured by using quality assured material and advanced techniques.

Why should you choose UTL solar inverters?

UTL's solar inverters are widely appreciated by our prestigious clients because of its precise design and durability. With pure sine wave output, these 5kVA compact solar inverters completely assure that modern-day electronics or any other sensitive load will be powered without any problem.

What is a 5KVA solar inverter?

A 5kVA solar inverter is a portable size multi-function inverter that combines the functions of a solar inverter, solar charge controller, and battery charger to provide you stable and uninterrupted power supply. UTL 5kVA solar inverter are next-generation solar inverters with sleek artistic design, high efficiency and also are easy to install.

What is Alfa+ Solar PCU 5kva/48v?

Alfa+ Solar PCU 5kVA/48V is a Model of Power Conditioning Unit (PCU) which uses Solar (primary) and Grid (secondary), to charge the batteries. Since the usage of power from the grid is secondary, grid power is only used when solar energy is not present and the battery voltage level reduces to 11.5V/Battery (Default 11.5V, Configurable).
