At U& S Power Shop From R157619.95, PayFast Accredited, Delivery Within 3 Days Of Purchase. This system can discharge a maximum 10400W of AC energy for powering household loads. of AC energy for powering household loads.

### **Victron Energy Review**

Fortunately, for larger systems, the Multplus and Quattro Inverters are compatible with the well-regarded Fronius solar inverters (up to 8.2kW single phase) and SMA, FIMER and SolarEdge. Several other brands, including Delta, are compatible with frequency shifting, but always check the inverter model with the manufacturer.

### **Victron 48V Quattro 3kVA 120V Inverter 35A Charger**

Established in the Netherlands in 1975, Victron Energy manufactures dependable off-grid battery inverter chargers and affordable solar controllers. In the automotive, RV, and boating market, they stand out as one of the top-quality manufacturers through their commitment to continuous improvement and development of their products.

### **Victron Quattro 48v/5000va/70-100/100 Off Grid Inverter**
