Full stats and details for Volta Bracket, a Sniper Rifle in Destiny 2. Learn all possible Volta Bracket rolls, view popular perks on Volta Bracket among the global Destiny 2 community, read Volta Bracket reviews, and find your own personal Volta Bracket god rolls.

How do I get Volta Bracket drops?

To obtain Volta Bracket drops, participating in public events, opening chests, and completing activities on Neomuna have a chance to reward you with more rolls for the Volta Bracket.

What is Volta bracket in Destiny 2 Lightfall?

Volta Bracket is an insanely powerful Sniper Rifle in Destiny 2 Lightfall that is Strand, Kinetic, and craftable. This weapon is gained just by making progress through the Lightfall campaign. Volta Bracket has an Aggressive Frame which means it has high damage and high recoil.

Will the Volta bracket take over Crucible?

The Volta Bracket PvP God Roll has the potential to take over Crucible. Especially paired with Exotics like Cyrtarachne's Facade that provide Woven Mail, Volta Bracket is going to be a menace. Like the Volta Bracket PvE God Roll, Arrowhead Brake is the preferred barrel to keep the recoil down.

How good is Volta bracket vs Sniper Rifle?

Volta Bracket has an Aggressive Frame which means it has high damage and high recoil. For a Sniper Rifle, all you need is one high damage shot and you're golden. It also has Nanotech Tracer Rockets which is usually good, but with this weapons, it won't ever really proc.

What is a Volta bolt sniper rifle?

The Volta Bracket is an aggressive frame Sniper Rifle, and it pairs well with the new Strand subclass shooting Strand projectiles, which is one of its biggest advantages. The Sniper Rifles have significant damage and can operate well in long-range fights in PvP and PvE scenarios.
