

Weco batteries

 **LFP 12V 200Ah**

Overview

Why should you choose WECO lithium batteries?

WeCo design and produce lithium batteries equipped with the highest quality components. Each application has its own Lithium Chemistry cell in order to guarantee the highest durability and Safety. WeCo has developed one of the most advanced BMS with active and passive equalizer with a real-time control on every single cell.

What is a WECO 5k0 battery?

It features a depth of discharge of 100% and a rated charge-discharge voltage of 450 V. Weco, an Italian battery manufacturer, has unveiled a new energy storage system for residential applications. The 5K0 battery is available in two versions called 5K0 Pro and 5K0 Smart, respectively.

Where are WECO batteries used?

While Italy remains by far its largest market, WeCo's batteries are used everywhere, from rural communities in remote parts of Africa, Australia and Micronesia, to Médecins Sans Frontières hospitals, to homes across Europe and the US.

How many kWh can a WECO battery store?

The new product has a capacity of 5.4 kWh and is scalable up to 60 kWh. It features a depth of discharge of 100% and a rated charge-discharge voltage of 450 V. Weco, an Italian battery manufacturer, has unveiled a new energy storage system for residential applications.

Can a WECO battery be used as a wall solution?

Weco's new 5.3 kWh battery can be used as a wall solution or in a stackable configuration. Up to 15 modules can be stacked without additional components, thanks to a special casing. Weco, an Italian battery manufacturer, is presenting a low-voltage storage system this week at the

Smarter E event in Munich, Germany.

Why should you choose WECO battery chemistry cell?

Each application has its own Lithium Chemistry cell in order to guarantee the highest durability and Safety. WeCo has developed one of the most advanced BMS with active and passive equalizer with a real-time control on every single cell. The WeCo Wi-Fi monitoring system is able to detect, control and monitor every battery pack connected
