Overview

What is sogenergyteam?

Sogaenergyteam range of products is one of the most complete on the market, export worldwide through the Group's 5 commercial brands: SOGA, SINCRO, AGROWATT, SOGAENERGIES, CMZ. SINCRO® brand is dedicated to power generation since 1986 in engineering and manufacturing: standing out for compactness and proven reliability of performances.

Where is Soga energy located?

Soga Energy Team is headquartered in Northern-East Italy in Montecchio Maggiore (Vicenza hinterland) and operates worldwide in 90 countries within power generation, motion & control through 3 companies located in Italy (Soga S.p.A, CMZ Sistemi Elettronici S.r.l) and Croatia (Sincro d.o.o) and 5 brands: Soga, Sincro, AgroWatt, Sogaenergies, CMZ.

Who is Soga spa?

Soga SpA is the headquarter company of Sogaenergyteam industrial group operating in power generation, motion and control. Sogaenergyteam develops and manufactures electric motors, alternators, rotating welders, pto and permanent magnet generators up to 2,600 kVA and electronic systems for industrial automation.

What is Soga's new video?

Our new video is a celebrative milestone of SOGA long-years journey in the Railway industry. SOGA presents the new range of IE2 single-phase IEC motors. Made in Italy, meeting the latest EU regulation. SOGA takes part at "OPIFICIO ITALIA" the photographic exhibition organized by Confimi for promoting Made in Italy.

Are Soga motors made in Italy?

SOGA presents the new range of IE2 single-phase IEC motors. Made in Italy,

meeting the latest EU regulation. SOGA takes part at “OPificio ITALIA” the photographic exhibition organized by Confimi for promoting Made in Italy. In Rome up to 21 August, 2024.
