Battery Cam Pro

Does the Battery Cam Pro show a charging icon when the solar panel should be charging the camera? I had it out in the sun today for the first time (and first time trying the solar panel), and expected to see the charging icon but I didn't. I re-checked all my connections tonight and put it back out for another test. I used the cables that came with the solar panel to wire it ...

Can the solar panel charge my other devices? - Wyze

Wyze Solar Panel will not charge other devices, like your phone or other cameras. It is only recommended for use with Wyze Cam Outdoor and Wyze Battery Cam Pro. Use with other devices would void the warranty.

WCO v2 & Solar Panel

Had a v1 charging off of a panel just fine for months. Upgraded to a v2 and after an initial charge of a day, it just starts draining instead. This is actually a really good before & after comparison. Wouldn't it be nice if Wyze had done similar instead of QC always falling

[Wyze Solar Panel Troubleshooting](#)

Wyze Solar Panel Troubleshooting - Wyze. 7/24/2024 - Wyze App 3.0 has been unveiled! With a new customizable Home tab, Favorites tab, and Automations, there's a whole lot to explore. ...

How do I troubleshoot this? Solar panel no longer charging WCO

I've had the solar panel attached since about Feb of 2022, and it has worked pretty consistently since then. I'm pretty sure that the display was showing 100% charged YESTERDAY but, today, the camera went offline, so I unplugged it so as to reboot it. Now, no LED when I plug it back in, and the battery is showing 0%. I'm guessing that my next step is to ...

Will Wyze Solar Panel keep charging the camera past 100%?

Wyze Solar Panel will stop charging the attached Wyze Cam Outdoor once the battery level reaches 100%. Once the battery level drops below 90%, Wyze Solar Panel will resume charging the camera. Note: Wyze Solar Panel needs direct sunlight in order to charge.

Battery cam pro won't charge via wyze solar panel

I just received the battery cam pro and set it up, however it will not charge using the Wyze solar panel. The battery will charge separately, and when in the camera and plugged into ac. I have tried 3 separate solar p... WYZE Web site shows for use with

Ring Solar Panel Not Charging (How To Fix It Easy)
