

Xcel energy solar phone number

Overview

How does Xcel Energy manage solar applications?

Solar applications are typically managed by the solar installer through Xcel Energy's Distributed Energy Resource (DER) Application Portal. It's important to Xcel Energy that your personal data is protected, therefore your solar installer will need to register by creating a unique username and password to login.

How do I register for Xcel Energy?

It's important to Xcel Energy that your personal data is protected, therefore your solar installer will need to register by creating a unique username and password to login. The person managing the application process should create the account. Once logged in, the application process can begin!.

What happens if I subscribe to Xcel Energy?

Once subscribed, customers will begin receiving credits on their monthly utilities bill for the solar energy that their subscription contributes to the Xcel Energy grid. Curious about how this fits into your sustainability goals?

.

When should Xcel Energy install a solar system?

Xcel Energy highly recommends that the system not be installed until the application has passed all the engineering reviews. Solar applications are typically managed by the solar installer through Xcel Energy's Distributed Energy Resource (DER) Application Portal.

Do Xcel Energy customers qualify for net metering benefits?

In addition to receiving Net Metering benefits, customers who qualify under the terms of Income Qualified or Disproportionately Impacted Communities can receive an upfront rebate of \$1 per watt of installed solar up to 10kW AC.

Must be an Xcel Energy residential or business electricity customer.

Can Xcel Energy generate my own electricity?

Generate your own electricity and get credit for producing more than your monthly usage. Important Note: Xcel Energy highly recommends that construction of your system **SHOULD NOT** commence until your application receives full approval from the Xcel Energy engineering team and all final agreements are fully signed.
